The Pharmacy Examining Board does not require licensees to obtain a CPE ID. The American Council on Pharmaceutical Education (ACPE) does require a CPE ID and all CE credits must be obtained through ACPE accredited providers.

7. I took a CE course through an American Council on Pharmaceutical Education (ACPE) approved provider but I don’t have a Continuing Pharmacy Education (CPE) ID. Will I still be able to receive credit for this course?

After 1/1/2012 you must have a CPE ID in order to receive credit from the ACPE for any CE courses taken.

The Pharmacy Examining Board currently recognizes only those educational programs offered by a provider approved by the ACPE. There will not be any CE credits accepted for any course or program that did not have ACPE approval.

A contact hour is very often defined as not less than fifty minutes spent in attendance of a course. Wis. Admin. Code § PHAR 16 has no definitions for CEU, Contact Hour or CE Hour.
